## Common Sense

Teaches any one

That the merchant who sells for CASH, and turns his money over often, can afford to sell goods at a very much lower price than one who sells on credit, and necessarily makes the good customers pay the loss on the other fellow.

TO THE LADIES OF CHIPLEY.

Columbus, Ga., June 30, 1890.

I am at home again and have charge of the order department at THE BEE HIVE.

## A CORRECTION.

TO OUR READERS: Last week the following lines were published in the St. Andrews Buoys:

"The publication of the delinquent tax list of Washington county for the present year was awarded by the county commissioners to the Record, the new paper published at Chipley. But instead of being published in the Record, it is appearing in another paper. Will some one please explain by what and whose authority the change was made."

Now, in justice to our County Commissioners, to ourselves, and to our patrons, we say: When the award of the publication of the tax list was made the vote stood: Record 1; Buoys 1; BANNER 3; total 5. In proof of the above we respectfully refer everyone to W. T. Horne, chairman of Board; J. M. Simmons, Jeff Anderson, Rief Karl, Ed. Evans, members of Board; D. J. Jones, Commissioners' Attorney; C. G. Allen, Sheriff, and J. S. Gardner, editor and publisher of the Record, and others, all of whom were present when the award was made.

So, anyone who chanced to read that "little" article will see that it was intended by "some one" as a "fling" on us.

All we have to say is, that somebody has willfully LIED, or have been very wrongfully informed.

Mr. Eason Tharp of Hagerman, has grown this season some of the finest cabbage we have seen on the market.

Mr. David Datzon has moved his stock of goods from Vernon to this place; he occupies Dr. J. R. Farrior's store house.

Mr. A. H. Lewis a prominent citizen of Orange Hill, was in the city Saturday, and he made the BANNER man feel good.

To those who failed in the recent teachers' examination, we say: try it again; study up and take the September examination.

Only a few more days left in which to give in your taxes; the books will close on July 1st. You had better look after this matter.

If you have any doubts of the large trade that S. A. Cook has, just step into his store and watch for yourself; his prices will tell.

BORN: On last Saturday, to Mr. and Mrs. Jas. A. Jenkins, a fine girl. Jim says this makes twelve, and ten of them are living.

Always look for the red or blue X on the wrapper or margin of your paper. If you don't want the paper any longer, PAY UP and say stop.

The pay train passed over the P. & A. Wednesday, making all the employees feel good. Wages may be low, but it is CASH, no trade.

We received a communication from Hagerman this week but as no name was signed to it, we cannot use it; write again and sign your name.

Mr. W. H. Bliss returned Monday from an extended trip to Lexington, Ky., and Cincinnati, O. His many friends welcome him home again.

Miss Rose Wilson of Chipley, Fla., the daughter of our Presbyterian ministers has been visiting the family of Mr. W. K. Kenan—Geneva Journal.

Watermelons, cantaloupes, cucumbers, tomatoes, cabbage, roasting ears, beans, peas, squashes, for vegetables, and peaches and plums, for fruits, is what our people are now enjoying.

Why can't our town have water works? It would be a protection in case of fire, curtail insurance, give us better water for drinking purposes, add much to the value of all property and be of general advantage in many ways.

We wish to speak a word in behalf of Mr. Geo. W. Watts, our efficient railroad agent. He is kind, courteous and obliging to all, and he seems to be a favorite with our people. We wish him the best success in all his undertakings.

Messrs. Boney Bros. have bought out the turpentine business of Mr. Lewis; they take everything and will henceforth conduct the business. Boney Bros. are one of our most enterprising turpentine firms, and we are glad to see them increasing their business.

A party of pleasure seekers left Thursday for St. Andrews Bay for a two or three weeks recreation, consisting of D. Carmichael Esq., and family, Joe Merrett and family and Rev. Mr. Dannelly and family, of Geneva, Ala., and A. D. Carmichael and family of this place. We wish them a pleasant outing.

A friend of ours told us this week of seeing some of our job work scrutinized very closely, and the remark was made that they had no idea such work could be done here; always thought such work as that had to be sent off for. All we ask is: come and see, tell what you want, if we can do it we tell you so; if not, we let you know it. We always guarantee satisfaction.

Mr. and Mrs. Louis Ball and family attended a family reunion last Saturday at Mrs. Ball's parents, Mr. and Mrs. N. Wadford, of Graceville; Mr. Wadford is 82 years old, and his wife 72. On this occasion their descendants met, and held one of the most enjoyable reunions of their life; there is 132 of the family living and 131 was present; this was something remarkable. We hope the old couple may live to enjoy many more such occasions.

BASE BALL.

The best game of ball played in Chipley this season, was played between two home nines last Saturday afternoon. The teams lined up as follows:

C Chandlee, F Hawk, I Teter, R Hogeboom, 1st b, H Farrior, 2nd b, A Miller, 3rd b, E Wickizer, 4th b, M Scott, 5th b, J B Farrior, 6th b, B F Carter, 7th b.

The result of the game, was a score of 12 to 8 in favor of F. C. Hawk's team.

Last fall I sprained my left hip while handling some heavy boxes. The doctor I called on said at first it was a slight strain and would soon be well, but it grew worse, and the doctor then said I had rheumatism. It continued to grow worse and I could hardly get around to work. I went to a drug store and the druggist recommended me to try Chamberlain's Pain Balm. I tried it and one-half of a bottle cured me entirely. I now recommend it to all my friends.—F. A. BACOCK, Frie, Pa. It is for sale by Patrick Bros. druggist.
